

Co-production of a Web-Based Implementation Toolkit Project

Are you an academic, researcher, manager, doctoral student, postdoctoral fellow or public contributor?

Does your role involve implementing research outputs (e.g. introducing new interventions/ innovations and/or changes in practice)?

Researchers from the School of Health Sciences, University of Southampton/NIHR ARC Wessex would like you to test an innovative **web-based implementation toolkit**:

www.implementationtoolkit.org.uk

Please provide **feedback** via a short survey:

Or

https://southampton.qualtrics.com/jfe/form/SV_agSbjiPV7TQhD26

If you have any questions please email: Cindy Brooks at: C.F.Brooks@soton.ac.uk

This study has been approved by the University of Southampton Research Ethics Committee (ERGO Ref:68858).

Thank you.
